NEW QUESTION: 3

You need to create vendor accounts by using Microsoft Dynamics AX.

Which field is mandatory for creating a vendor account?

- A. Group
- B. Mode of delivery
- C. Terms of payment
- D. Credit limit

Answer: A

Explanation:

When you create a vendor account, you enter information about the vendor that is used to populate documents automatically and to track activity with the vendor. For example, you can enter the following information for a vendor:
* Assign a vendor group. Every vendor must be assigned to a vendor group. Vendors in a vendor group have parameters in common. For example, they may have the same terms of payment.

Reference: Create a vendor account [AX 2012]
