NEW QUESTION: 1

The supply manager and organizational management are arguing whether an internal audit is suited for the organization. All of the following are reasons to use an internal audit EXCEPT.

- A. The ease of flexibility and scheduling.
- B. An external audit is biased.
- C. Auditors already exist and may be used from another department.
- D. The auditors have an understanding of the organization.

Answer: B

Explanation:

The supply manager and organizational management are arguing whether an internal audit is suited for the organization. All of the following are reasons to use an internal audit EXCEPT an external audit is biased. An external audit is actually the best form of unbiased audit. An internal audit has the ease of

flexibility and scheduling, the auditors have an understanding of the organization, and the auditors already exist and may be used from another department.
