NEW QUESTION: 3

Which field cannot be changed during document posting for the one-time customer?

A. Customer Country
 B. Customer Number
 C. Customer Industry
 D. Customer Name

Answer: B

Explanation:

The customer number can't be changed. The customer number isn't an identifying characteristic for one-time customers as more than one will share it! You can enter the customer name, industry, country, and other address and bank details during the posting transaction in the special popup window.
