View the exhibit.

Your customer has "Gold" level SLAs being applied to certain organizations according to organization rules.

After six months, the business decides to change the response time: instead of responding in 24 hours your agents need to respond within eight business hours.

You modify the "Gold" SLA to reflect this change but you notice that the SLA reports are still using a 24- hour response time.

Which statement is correct?

- A. Updating the SLA will not automatically update the organization's SLA instance.
- B. You have not activated the rules so the updated SLAs are not being applied.
- C. Your site has been corrupted with the "Gold" SLA.
- D. The SLA reports will need to be modified to use the new SLA.
