Explanation:

For complete reporting on data, Workforce provides data maps, which enable you to push consolidated data from one cube to a reporting cube. For example, you can push compensation data to the reporting cube.

The data maps are:

Headcount Data for Reporting - For reporting on headcount data

Compensation Data for Reporting - For reporting on compensation information

Non Compensation data for Reporting - For reporting on non compensation information

Compensation Data - If Financials is enabled, pushes data from Workforce to Financials.
